A temporary payment suspension is in effect on agreements during the department's year-end closing period beginning September 13th until mid-November. FSRs through the August period should be submitted by September 6th to ensure payment prior to the payment suspension period.

3. Final FSRs

Final FSRs are due sixty (60) days following the end of the fiscal year or agreement period. The final FSR must be clearly marked "Final". Final FSRs not received by the due date may result in the loss of funding requested on the Obligation Report and may result in the potential reduction in the subsequent year's agreement amount.

Any unobligated balance of funds held by the Grantee at the end of the agreement period will be returned to the Department or treated in accordance with instructions provided by the Department.

V. Agreement Termination

VI. Final Reporting Upon Termination

Should this agreement be terminated by either party, within thirty (30) days after the termination, the Grantee shall provide the Department with all financial, performance and other reports required as a condition of this agreement. The Department will make payments to the Grantee for allowable reimbursable costs not covered by previous payments or other state or federal programs. The Grantee shall immediately refund to the Department any funds not authorized for use and any payments or funds advanced to the Grantee in excess of allowable reimbursable expenditures. Any dispute arising as a result of this agreement shall be resolved in the State of Michigan.
